

Treasure Hunt to Boost Nursing Scholarships

Video will guide searchers to valuable treasures around Las Vegas!

Sunday morning, August 3, as a benefit for the Dana Konno Nursing Scholarship Fund at Luna Community College, clues to valuable gift locations around town will be revealed in a video to be posted on YouTube early that morning.

The treasure hunt video will also serve to promote Las Vegas' scenery, architecture and history, as have many videos by producer Jim Terr, whose views on YouTube now total over one million.

100 per cent of event money donations will go to the Dana T. Konno Nursing Scholarship Fund at Luna Community College.

Hunt participants must first register by donating to the nursing fund, at www.VegasTreasureHunt.org or at any Wells Fargo bank anywhere in the US!

The fund is named for the former Las Vegas nurse and friend to so many here.

DANA T. KONNO, RN

"Of anyone in our society, these (nursing students) deserve our support. They are headed to a life of contribution to others and form the bedrock of community. A few hundred dollars at the right time can have a huge impact." - **Dr. Joseph Whiteman** (The fund has distributed over \$11,000 to Luna nursing students in need. We hope to EXCEED that total with this fundraiser.) **GO LAS VEGAS!!**

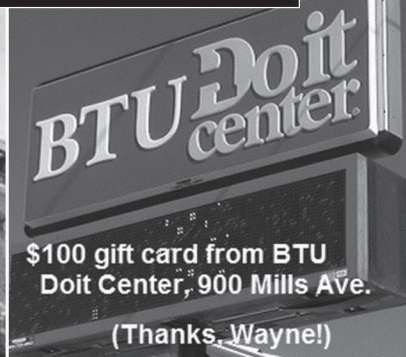

HOW IT WORKS: Video to be released on YouTube morning of August 3 has treasure locations!
